My Next Step(s)...

- I'll consider:
 - How would you summarize the message in one sentence? What is one thing that stood out to you from this week's message?
- I will ask God to help me be teachable, to unlearn something if needed, and to grow in gospel fluency
- I will intentionally take time and put thought into how I can blend gospel activities into my everyday rhythms.
- I will RSVP to attend The Grove's in-person worship on December 6.
- I will memorize Ephesians 5:15–16 (CSB)
Pay careful attention, then, to how you walk—not as unwise people but as wise—making the most of the time, because the days are evil.
